

LANI—BROWNWOOD

Redefining The Standards in Animal Nutrition

Based in the heart of Texas, our newly renovated facility is equipped with numerous diverse capabilities and services to meet your needs. Purchased in 2014, we remodeled a 60,000 square foot warehouse for immediate demands. In the Fall of 2016, we completed a state of the art blending/processing facility with automated batching, grinding, sifting and packaging. Other services and capabilities include:

- ◆ Component blends, concentrated blends & ingredient resale
- ◆ Bag and toled packaging availability
- ◆ Load bulk blends in pneumatic or hoppers
- ◆ Rail Access
- ◆ Organic certified
- ◆ “I-Track” bar coding and lot tracking
- ◆ Medication Free Facility
